REGULATION NO. 1 - INTERPRETATION

Definitions

- 1.01 In these regulations, unless the context otherwise requires, any words used, which are defined in the Act or the by-laws shall have the meaning set out in the Act or the by-laws.

REGULATION NO. 2 - REGISTRATION REQUIREMENTS

Full Practice Registrants

- 2.01 All new applicants for registration as full practice registrants shall submit a completed application in such form as approved by the Board from time to time and shall provide evidence satisfactory to the Registrar of the following:

- (a) completion of:
 - (i) a diploma or degree from an Approved Education Program in the last five (5) years as set out in paragraph 17(1)(a) of the Act; or
 - (ii) five hundred (500) hours of practice within the last five (5) years in each specialty for which they are seeking registration; and
- (b) proficiency to practise medical radiation technology in English and/or French;
- (c) professional liability insurance in the amount of \$2,000,000;
- (d) lawful entitlement to work in Canada;
- (e) two (2) letters of reference providing evidence of the applicant's competence, capacity, good character and professional reputation and practice;
- (f) successful completion of the examination offered by the Canadian Association of Medical Radiation Technologists ("CAMRT") or such alternate examination as determined by the Board from time to time within four (4) attempts;
- (g) a criminal record check including a vulnerable sector check;
- (h) payment of fees as determined by the Board from time to time; and
- (i) such other information as the Registrar or Credentials Committee may reasonably require.

- 2.02 Registration in the full practice register must be renewed annually. Applicants for renewal of registration shall file with the Registrar a completed renewal application in such form as approved by the Board from time to time and shall provide evidence satisfactory to the Registrar of the following:

- (a) completion of five hundred (500) hours of clinical practice within the last five (5) years in each specialty for which they are registered;
- (b) maintenance of professional liability insurance in the amount of \$2,000,000;

- (c) proof of completion of continuing education in an amount as set out in the Continuing Education Program Policy as approved by the Board from time to time; and
- (d) the applicant is not subject to any outstanding complaints or disciplinary proceedings or other proceedings which may affect their entitlement to registration.

Non-Clinical Registrants

2.03 All new applicants for registration as non-clinical registrants shall submit a completed application in such form as approved by the Board from time to time and shall provide evidence satisfactory to the Registrar of the following:

- (a) completion of:
 - (i) a diploma or degree from an Approved Education Program in the last five (5) years as set out in paragraph 17(1)(a) of the Act; or
 - (ii) completion of five hundred (500) hours of practice within the last five (5) years in each specialty for which they are seeking registration; and
- (b) proficiency to practise medical radiation technology in English and/or French;
- (c) professional liability insurance in the amount of \$2,000,000;
- (d) lawful entitlement to work in Canada;
- (e) two (2) letters of reference providing evidence of the applicant's competence, capacity, good character and professional reputation and practice;
- (f) successful completion of the examination offered by the CAMRT or such alternate examination as determined by the Board from time to time within 4 attempts;
- (g) a criminal record check, including the vulnerable sector check;
- (h) payment of fees as determined by the Board from time to time; and
- (i) such other information as the Registrar or Credentials Committee may reasonably require.

2.04 Registration in the non-clinical register must be renewed annually. Applicants for renewal of registration shall file with the Registrar a completed renewal application in such form as approved by the Board from time to time and shall provide evidence satisfactory to the Registrar of the following:

- (a) completion of five hundred (500) hours of non-clinical practice within the last five (5) years in each specialty for which they are registered;
- (b) maintenance of professional liability insurance in the amount of \$2,000,000;
- (c) proof of completion of continuing education in an amount as set out in the Continuing Education Program Policy as approved by the Board from time to time; and

- (d) the applicant is not subject to any outstanding complaints or disciplinary proceedings or other proceedings which may affect their entitlement to registration.

Labour Mobility Applicants

- 2.05 All new applicants for registration as full practice registrants or non-clinical registrants who are applying for registration with the College pursuant to the Canadian Free Trade Agreement ("CFTA") shall submit a completed application in such form as approved by the Board from time to time and shall provide evidence satisfactory to the Registrar of the following:
- (a) active status and good standing from the applicant's current or former association or regulatory body for medical radiation technologists in the jurisdiction in which the applicant is practising or has practised as a medical radiation technologist;
 - (b) no record of outstanding complaints or disciplinary proceedings or other proceedings relevant to the practice of medical radiation technology;
 - (c) professional liability insurance in the amount of \$2,000,000;
 - (d) lawful entitlement to work in Canada;
 - (e) two (2) letters of reference providing evidence of the applicant's competence, capacity, good character and professional reputation and practice;
 - (f) a criminal record check, including the vulnerable sector check;
 - (g) payment of fees as determined by the Board from time to time; and
 - (h) such other information as the Registrar or Credentials Committee may reasonably require.

Temporary Emergency Registrants

- 2.06 In the event of a pandemic or such other extraordinary event as may, in the Board's opinion, cause there to be an insufficient number of registrants to provide the care necessary to the public, the Board may direct the Registrar to issue temporary licenses to applicants.
- 2.07 All new applicants for registration as temporary emergency registrants shall submit a completed application in such form as approved by the Board from time to time and shall provide evidence satisfactory to the Registrar of the following:
- (a) professional liability insurance in the amount of \$2,000,000 which covers practice in New Brunswick;
 - (b) lawful entitlement to work in Canada;
 - (c) active status or letter of good standing from the applicant's current or former association or regulatory body for medical radiation technologists in the jurisdiction in which the applicant is practising or has practised as a medical radiation technologist;

- (d) no record of outstanding complaints or disciplinary proceedings or other proceedings relevant to the practice of medical radiation technology; and
- (e) such other information as the Registrar or Credentials Committee may reasonably require.

2.08 Temporary emergency registration may remain in effect for the duration of the purpose for which the temporary emergency registration was granted or until such other time as the Registrar considers appropriate and may be extended by the Registrar for a period within the Registrar's discretion.

Temporary General Registrants

2.09 All new applicants for registration as temporary general registrants shall submit a completed application in such form as approved by the Board from time to time and shall provide evidence satisfactory to the Registrar of the following:

- (a) successful completion of an Approved Education Program;
- (b) proficiency to practise medical radiation technology in English and/or French;
- (c) professional liability insurance in the amount of \$2,000,000 which covers practice in New Brunswick;
- (d) lawful entitlement to work in Canada;
- (e) active status and good standing from the applicant's current or former association or regulatory body for medical radiation technologists in the jurisdiction in which the applicant is practising or has practised as a medical radiation technologist;
- (f) no record of outstanding complaints or disciplinary proceedings or other proceedings relevant to the practice of medical radiation technology; and
- (g) such other information as the Registrar or Credentials Committee may reasonably require.

2.10 Temporary general registration may remain in effect for such time as the Registrar determines, not to exceed six (6) months, and may be renewed at the discretion of the Registrar for no more than twelve (12) months in total.

Provisional Registrants

2.11 All applicants for registration as provisional registrants shall submit a completed application in such form as approved by the Board from time to time and shall provide evidence satisfactory to the Registrar of the following:

- (a) successful completion of an Approved Education Program;
- (b) registration to take the next sitting of the examination offered by the CAMRT or such alternate examination as determined by the Board from time to time;
- (c) proficiency to practise medical radiation technology in English and/or French;
- (d) professional liability insurance in the amount of \$2,000,000;

- (e) lawful entitlement to work in Canada;
- (f) two (2) letters of reference providing evidence of the applicant's competence, capacity, good character and professional reputation and practice;
- (g) a criminal record check, including the vulnerable sector check;
- (h) if applicable, active status or letter of good standing from the applicant's current or former association or regulatory body for medical radiation technologists in the jurisdiction in which the applicant is practising or has practised as a medical radiation technologist;
- (i) if applicable, no record of outstanding complaints or disciplinary proceedings or other proceedings relevant to the practice of medical radiation technology;
- (j) payment of fees as determined by the Board from time to time; and
- (k) such other information as the Registrar or Credentials Committee may reasonably require.

2.12 Provisional registration may remain in effect for such time as the Registrar determines, not to exceed six (6) months, and may be renewed at the discretion of the Registrar for no more than twelve (12) months in total.

REGULATION NO. 3 - PRACTICE RIGHTS OF REGISTRANTS

Full Practice Registrants

3.01 Full practice registrants shall be entitled to:

- (a) educate students, manage employees, or carry out other clinical practice roles and maintaining clinical competence in one (1) or more of the specialties of medical radiation technology in which they are authorized to practise by the College;
- (b) practise one (1) or more of the specialties of medical radiation technology after they are authorized to do so by the College; and
- (c) use the titles and designations for one (1) or more of the specialties of medical radiation technology in which they are authorized to practise by the College.

Non-Clinical Registrants

3.02 Non-clinical registrants shall be entitled to:

- (a) educate students, manage employees, or carry out other non-clinical roles in one (1) or more of the specialties of medical radiation technology in which they are authorized to practise by the College; and
- (b) use the titles and designations for one (1) or more of the specialties of medical radiation technology in which they are authorized to practise by the College.

3.03 Non-clinical registrants are not entitled to engage in the clinical practice of medical radiation technology.

Temporary and Provisional Registrants

- 3.04 Temporary emergency registrants, temporary general registrants, and provisional registrants shall be entitled to:
- (a) practise one (1) or more of the specialties of medical radiation technology under the direct supervision of a full practice registrant who is registered in that specialty; and
 - (b) use the titles and designations for one (1) or more of the specialties of medical radiation technology in which they are authorized to practise by the College.

Student Affiliates

- 3.05 Student affiliates shall be entitled to:
- (a) carry out the tasks and functions of medical radiation technology that are necessary for the completion of an Approved Education Program under the direct supervision and direction of a full practice registrant; and
 - (b) use the titles and designations for one or more of the specialties of medical radiation technology for which they are completing an Approved Education Program for followed by the word “student” (e.g. “radiologic technologist – student”).

REGULATION NO. 4 - REINSTATEMENT OF REGISTRATION

Reinstatement of Registration – General

- 4.01 Any person whose registration in the College has lapsed, been terminated, been suspended, or been resigned except for those whose registration was revoked or suspended by reason of disciplinary action, may apply to the Registrar in writing for reinstatement of registration within three (3) years from the date their registration lapsed, was terminated, was suspended, or was resigned.
- 4.02 The Registrar may grant reinstatement of registration to any person who applies within the time required by regulation 4.01 provided that the applicant:
- (a) pays all outstanding dues and all required dues for the year of the application;
 - (b) provides proof of professional liability insurance in the amount of \$2,000,000;
 - (c) successfully completes any additional educational requirements or other steps as may be required by the Board;
 - (d) provides proof of compliance with the requirements for renewal of registration provided for in the applicable regulation;
 - (e) a criminal record check, including the vulnerable sector check; and
 - (f) such other information as the Registrar or Credentials Committee may reasonably require.

- 4.03 An applicant for reinstatement under regulation 4.01 with any outstanding complaint, investigation, or disciplinary proceeding relating to the applicant's conduct while a registrant may be granted reinstatement but the Registrar may impose a condition on their registration indicating that the complaint, investigation, or disciplinary proceeding must be fully resolved to the satisfaction of the College prior to obtaining an unconditional registration.
- 4.04 Any person whose registration in the College has lapsed, been terminated, been suspended, or been resigned except for the person whose registration was revoked or suspended by reason of disciplinary action for more than three (3) years must apply to the College as a new applicant.

Reinstatement of Registration after Disciplinary Action

- 4.05 The Discipline and Fitness to Practise Committee or a panel thereof shall consider all applications for reinstatement of registration after revocation or suspension and all applications for removal or alteration of conditions, restrictions or limitations imposed on a registrant's registration (hereinafter collectively referred to as "sanctions") and shall make such investigations and conduct such hearings it deems necessary for the consideration of such applications.
- 4.06 A panel of the Discipline and Fitness to Practise Committee appointed to consider an application under regulation 4.05 shall be appointed in the manner set out in by-law 13.07(a) with such modifications as are necessary.
- 4.07 No application under regulation 4.05 may be made to the Discipline and Fitness to Practise Committee within twelve (12) months from the date on which sanctions were imposed or within twelve (12) months from the date of the determination of any previous application under regulation 4.05.
- 4.08 The Discipline and Fitness to Practise Committee shall determine its own rules of procedure with respect to applications made under regulation 4.05.
- 4.09 The Discipline and Fitness to Practise Committee shall not consider any application made under regulation 4.05 unless:
 - (a) the application is in writing and is signed by the applicant;
 - (b) the application sets out the grounds of the application, the remedy or order sought and the remedial measures taken by the applicant;
 - (c) the applicant has paid all fees determined by the Board by resolution from time to time; and
 - (d) the applicant has complied with any requirements set out in the rules with respect to such applications
- 4.10 The Discipline and Fitness to Practise Committee may dismiss the application made under regulation 4.05 or may make such decision, order or determination as it deems appropriate.
- 4.11 When the Discipline and Fitness to Practise Committee has made a decision, order or determination with respect to an application under regulation 4.05 the Discipline and

Fitness to Practise Committee shall forward to the Registrar and the applicant a copy of its decision, order or determination signed by the members of the Discipline and Fitness to Practise Committee concurring therein.

REGULATION NO. 5 - UNAUTHORIZED PRACTICE

- 5.01 The Registrar may suspend the registration of a registrant without notice or investigation:
- (a) for non-payment of any fees required to be paid by that registrant to the College under the Act, by-laws or regulations, and
 - (b) upon contravention of any regulation that requires the registrant to pay a fee, file a document, or do any other act by a specified or ascertainable date.
- 5.02 A registrant whose registration is suspended pursuant to regulation 5.01 may apply for reinstatement pursuant to regulations 4.01 and 4.02.
- 5.03 The Registrar, Complaints Committee, or Discipline and Fitness to Practise Committee, as the case may be, may, in their sole discretion, in addition to the requirements for reinstatement outlined in regulation 4.02, impose a fine on an applicant for reinstatement who engaged in practice while not holding a current licence in an amount up to a maximum of \$20,000.

REGULATION NO. 6 - AUDITS OF REGISTRANTS

Continuing Education Audits

- 6.01 Full practice registrants and non-clinical registrants shall keep a record of their participation in continuing education activities in a form and in a manner as required by the Continuing Education Program Policy approved by the Board from time to time.
- 6.02 At the request of the Registrar, a full practice registrant or non-clinical registrant shall provide or make accessible their record of participation in continuing education activities to the Registrar for assessment in accordance with the Continuing Education Program Policy.
- 6.03 The Education Committee and/or Registrar may impose financial penalties or fees or may recommend to the Registrar such sanctions as it considers appropriate, including but not limited to the suspension of a registrant's licence and imposing conditions upon which the registrant may be reinstated, if the registrant fails to comply with the continuing education requirements outlined in the Continuing Education Program Policy or fails to comply with a directive of the Education Committee.

REGULATION NO. 7 - PUBLIC REGISTER

- 7.01 The Registrar shall maintain or cause to be maintained the register of the College. The following information shall be included in the register of the College that is accessible to the public:
- (a) for each registrant:

- (i) name(s) under which they practise medical radiation technology;
 - (ii) registration number;
 - (iii) initial registration date;
 - (iv) registration status with the College;
 - (v) name, location, and date of completion of an Approved Education Program;
 - (vi) any specialties in which the registrant is authorized to practise; and
 - (vii) any conditions or restrictions imposed on the registrant's licence.
- (b) notice of any scheduled disciplinary hearings;
 - (c) notice of the suspension or revocation of a registrant's registration as a result of proceedings before the Discipline and Fitness to Practise Committee;
 - (d) notice of any disciplinary decisions which were ordered to be published by the Discipline and Fitness to Practise Committee; and
 - (e) such other information as the Board may direct from time to time.

REGULATION NO. 8 - PROFESSIONAL CORPORATIONS

Professional Corporations Register

- 8.01 The Registrar shall maintain a professional corporations register containing the following information:
- (a) the name of each professional corporation that is or was at any time permitted to carry on the practice of medical radiation technology under the Act, by-laws and regulations;
 - (b) the registration number given by the Registrar to each such professional corporation;
 - (c) a note of the status of each professional corporation including a reference to any conditions, limitations and restrictions that may apply to that professional corporation;
 - (d) the date of issuance and the expiry date of the permit issued to each professional corporation;
 - (e) the mailing address and address for service in New Brunswick of the professional corporation; and
 - (f) such further particulars as may be directed by the Board from time to time.
- 8.02 The Registrar shall maintain in such convenient form as the Board may approve all the information regarding each applicant for entry in the professional corporations register and every professional corporation permitted to carry on the practice of medical radiation technology that is submitted in compliance with the Act, the by-laws or these regulations.

- 8.03 For the purposes of the Act, the records maintained by the Registrar, pursuant to regulation 8.01 above, with the exception of the information relating to corporations no longer entitled to carry on the practice of medical radiation technology, shall be deemed to be the professional corporations register.

Application for Registration

- 8.04 Any corporation wishing to be entered on the professional corporations register shall submit:

- (a) a completed application in Form A together with the documents referred to in Form A; and
- (b) the required registration fee.

- 8.05 The Registrar shall enter the applicant corporation in the professional corporations register if satisfied that the requirements of the Act, the regulations and the by-laws have been met or notify the applicant corporation as to what pre-requisites have not been met.

- 8.06 Upon registration, the Registrar shall issue to the professional corporation a permit under the Act in such form as the Board may approve by resolution.

- 8.07 The Board may permit the shares of the professional corporation to be vested in:

- (a) an executor, administrator, the estate of a shareholder, for the limited purposes of permitting the executor or administrator to discharge their duties in relation to the administration of the estate; or
- (b) a trustee in bankruptcy, for the limited purpose of permitting the trustee to discharge their duties as trustee in bankruptcy of a shareholder or the professional corporation;

provided the Act and the other provisions of the regulations are complied with.

- 8.08 No person or corporation shall carry on, purport to carry on or advertise the carrying on the practice of medical radiation technology by, through or in the name of a corporation or professional corporation unless registered as a professional corporation under the Act and regulations.

- 8.09 Registration in the professional corporations register is mandatory for all professional corporations practising medical radiation technology.

Information Returns and Renewal of Permit

- 8.10 Every professional corporation shall provide the Registrar with a duplicate of all forms filed regarding the corporation:

- (a) under the *Business Corporations Act* or under the *Partnerships and Business Names Registration Act* of New Brunswick; and
- (b) if incorporated in a jurisdiction other than New Brunswick, under the applicable corporate filing legislation in the other jurisdiction;

within ten (10) days of such filing.

- 8.11 On or before September 15th each year, the Registrar shall send to each professional corporation a notice in Form B respecting renewal of its permit.
- 8.12 Every professional corporation that wishes to have its permit renewed shall furnish to the Registrar on or before November 15th in the year a completed Renewal Application in Form C together with the required renewal fee.
- 8.13 The Registrar shall issue to the professional corporation a renewal permit if the corporation has duly complied with regulation 8.12 and if the Registrar is satisfied that the requirements of the Act, the by-laws and the regulations have been met.
- 8.14 The Registrar shall note in the professional corporations register the new expiry date for renewal permits that have been issued pursuant to regulation 8.13.
- 8.15 The Registrar shall promptly notify any corporation upon expiry of its permit of the fact that it is no longer entered in the professional corporations register and no longer entitled to carry on the practice of medical radiation technology.
- 8.16 Each professional corporation shall forthwith notify the Registrar in writing of the occurrence of any of the following events:
- (a) a change in the legal or beneficial ownership of shares;
 - (b) a change in the voting rights of any shares;
 - (c) the existence of any agreement affecting the voting rights of any shareholder; and
 - (d) the death of a shareholder, director, officer or employee who was a registrant.
- 8.17 Whether or not a professional corporation has sent to the Registrar the duplicate forms referred to in regulation 8.10, the professional corporation shall notify the Registrar of any changes in the information provided in its application (Form A) or its last Renewal Application (Form C) within ten (10) days of such changes.

Registrant Representing Corporation

- 8.18 Each professional corporation shall appoint a registrant as its representative to whom all communications regarding the professional corporation may be sent or given and service on such registrant by the College or the Registrar shall be deemed good service on the professional corporation, its directors, officers and shareholders.
- 8.19 The appointment of a registrant pursuant to regulation 8.18 and the replacement of such representative by a new one shall be in Form D and shall be sent to the Registrar within ten (10) days of the appointment.

Corporate Name

- 8.20 Except as provided in regulation 8.21, a professional corporation shall carry on the practice of medical radiation technology under its corporate name.
- 8.21 A professional corporation may carry on the practice of medical radiation technology under a name which does not contain its full corporate name, provided that the full corporate name of the professional corporation is shown on the letterhead and invoices issued by the professional corporation.

Fees

- 8.22 Every professional corporation shall be primarily liable for payment of the annual fees in respect of its permit and the annual fees fixed in respect of each registrant of the College who practises as a medical radiation technologist on behalf of the professional corporation but only if such fee is paid by the professional corporation on their behalf is the registrant relieved from their obligation to pay the fee.
- 8.23 Upon revocation of the permit of a professional corporation pursuant to the Act, the Registrar shall forthwith notify the corporation and each registrant practising on behalf of the corporation of the revocation.
